

Twin Cities Metropolitan Area Transit System Map

Revised March 2005

This map is an overview of regional transit routes. To find a route, look for the route number and follow the matching colored line. Each route has its own color on the map (a fading line shows that the route continues non-stop to downtown). Route numbers also appear in signs above windshields. Each route has its own printed schedule.

The chart on the other side shows approximately how often trips operate on each route. For a detailed map and schedule information, refer to the printed schedule, available at Metro Transit stores and hundreds of other retail outlets. Call 612-373-3333 (TTY 612-341-0140) to have a schedule mailed to you. Schedules also can be viewed and printed at www.metrotransit.org
